Markets 60 objects

ADW-001	Crypto Market Sentiment & Volatility Index What is the current sentiment & volatility regime for crypto? Time-series · 8.4 yr history · since 2018 · updates hourly
ADW-003	DeFi Protocol TVL & Yield Driver Why is TVL in this DeFi protocol changing? Time-series · 8.3 yr history · since 2018 · updates daily
ADW-007	News Sentiment & Trend Velocity Index Current global news sentiment & velocity? Time-series · 11 yr history · since 2015 · updates hourly
ADW-010	Public Data Source Quality & Freshness Index How fresh & complete is this source? Time-series · 51 yr history · since 1975 · updates daily
ADW-028	Brand Sentiment->Volume Gap Identify marketing inefficiencies by isolating high-engagement, low-conversion campaigns to optimize ad spend allocation. Time-series · 31 yr history · since 1995 · updates monthly
ADW-071	Stablecoin-Flow Momentum Is stablecoin capital flowing into or out of crypto? Time-series · 8.5 yr history · since 2018 · updates hourly
ADW-072	DeFi-Activity Breadth How broadly distributed is DeFi liquidity across chains? Time-series · 8.7 yr history · since 2017 · updates hourly
ADW-101	Entropy-Weighted CUSUM (EWC) Enables traders to anticipate imminent volatility regime shifts to optimize position sizing and hedge timing before market instability occurs. Time-series · 9.8 yr history · since 2016 · updates daily
ADW-102	Tail Probability Shift (TPS) Enables traders to detect early-stage increases in fat-tail risk to prevent catastrophic drawdowns during market stress events. Time-series · 9.0 yr history · since 2017 · updates daily

ADW-103	Phase-Slope Identify cyclical volatility regime shifts to time entries and exits with higher predictive accuracy than standard volatility metrics. Time-series · 9.9 yr history · since 2016 · updates daily
ADW-104	Price-Range Ratio Helps traders identify assets with expanding volatility ranges to anticipate breakout opportunities and optimize entry timing. Time-series · 10 yr history · since 2016 · updates daily
ADW-105	Local Tail Variance Ratio (LTVR) Enables traders to identify accelerating volatility regimes for timing entries or hedging based on statistically validated predictive power. Time-series · 9.8 yr history · since 2016 · updates daily
ADW-106	Tail Mean Difference (TMD) Capture non-linear return dynamics by measuring the difference between tail means to identify assets with asymmetric return distributions that linear factors miss. Time-series · 9.8 yr history · since 2016 · updates daily
ADW-110	Crypto Whale-Flow Pressure Are large holders accumulating or distributing BTC? Time-series · 64 yr history · since 1962 · updates weekly
ADW-115	Bitcoin Network Activity Index Is Bitcoin on-chain network activity surging or unusually quiet right now? Time-series · 18 yr history · since 2009 · updates daily
ADW-131	Global Stability Index How stable is the global news climate? Time-series · 33 yr history · since 1993 · updates daily
ADW-205	3-Ps Mix Index Enables marketers to identify the optimal product, price, and promotional mix for specific consumer segments to maximize sales lift and market share. Time-series · 64 yr history · since 1962 · updates daily
ADW-250	USD Broad-Strength Index (DXY proxy) How strong is the US dollar against the major-currency basket right now? Time-series · 28 yr history · since 1999 · updates hourly
ADW-390	US Commercial Liability Premium Volatility Sudden premium spikes precede increased frequency of non-ransomware cyber incidents in high-risk sectors. Time-series · 27 yr history · since 1999 · updates monthly
ADW-404	US Healthcare Admin Overhead High-gap-index correlates with inpatient margin compression. Time-series · 17 yr history · since 2009 · updates quarterly
ADW-428	Agro-Ecological Yield Stress Index Get the agro-ecological yield stress index based on US Drought Monitor data for key crop states. Time-series · 24 yr history · since 2002 · updates daily
ADW-431	Soil-Input-Stress Index Fetch the soil-input stress index based on Producer Price Index year-over-year changes. Time-series · 53 yr history · since 1973 · updates daily
ADW-531	Long-Term Compounder Universe What is the durability/quality profile of the long-term compounder universe? Live · real-time · updates weekly

ADW - 535	Ethereum Network Sentiment Index Is Ethereum on-chain demand and network activity heating up or cooling off right now? Time-series · 11 yr history · since 2015 · updates daily
ADW - 540	UFO Sighting Activity Index Is US UFO/UAP sighting-report activity heating up or cooling off right now, and which states are driving it? Time-series · 22 yr history · since 2004 · updates weekly
ADW - 548	Sector Money-Flow Rotation Index Which US equity sectors is capital rotating into and out of right now? Live · real-time · updates daily
ADW - 555	Corporate Disclosure Activity Index Is US public-company material-disclosure activity surging or quiet vs its trailing-month norm? Time-series · 25 yr history · since 2001 · updates daily
ADW - 564	Major-Currency FX Volatility Index How volatile are the major USD currency pairs right now — macro calm or stress? Time-series · 27 yr history · since 1999 · updates daily
ADW - 568	Insider Trading Activity Index Is US insider-transaction activity (SEC Form 4) surging or quiet vs its trailing-month norm? Time-series · 25 yr history · since 2001 · updates daily
ADW - 571	Public Attention Index What is the public paying attention to right now, and how intense is the news cycle? Time-series · 11 yr history · since 2015 · updates daily
ADW - 578	Stablecoin Market Index Is the stablecoin market growing and are the major pegs holding? Time-series · 5.4 yr history · since 2021 · updates hourly
ADW - 580	US Dollar Strength Index How strong is the US dollar right now, and is it strengthening or weakening? Time-series · 27 yr history · since 1999 · updates daily
ADW - 582	Near-Earth Object Activity Index How much asteroid close-approach activity is Earth seeing in the next 7 days? Time-series · 27 yr history · since 2000 · updates daily
ADW - 587	Crypto Fear & Greed Index What is the emotional sentiment of the crypto market right now - fear or greed, and which way is it moving? Time-series · 8.4 yr history · since 2018 · updates daily
ADW - 606	US Construction Labor-Cost Divergence Is construction wage growth outrunning manufacturing wage growth, signaling building-trades labor scarcity? Time-series · 20 yr history · since 2006 · updates weekly
ADW - 608	US Manufacturing-Construction Boom Index Is US private manufacturing-construction spending accelerating versus its trailing norm? Time-series · 34 yr history · since 1993 · updates weekly
ADW - 609	US Wage vs Business-Formation Divergence Is wage inflation outpacing new-business formation, squeezing small-business viability? Time-series · 19 yr history · since 2007 · updates weekly
ADW - P01	Community Intelligence Package What is it like to live here? Package · bundle · updates on source cadence
ADW - P02	Family Intelligence Package Is this a good place to raise a family? Package · bundle · updates on source cadence

ADW-P03	Retirement Intelligence Package Is this a good place to retire? Package · bundle · updates on source cadence
ADW-P04	Business Expansion Package Where should a business expand? Package · bundle · updates on source cadence
ADW-P05	Consumer Convenience Package How convenient is daily life here? Package · bundle · updates on source cadence
ADW-P06	Risk Intelligence Package What can go wrong here? Package · bundle · updates on source cadence
ADW-P07	Infrastructure Intelligence Package How strong is the physical/digital infrastructure? Package · bundle · updates on source cadence
ADW-P08	Travel, Tourism & Heritage Package What is worth visiting here? Package · bundle · updates on source cadence
ADW-P09	Real Estate Intelligence Package Is this a good property or market? Package · bundle · updates on source cadence
ADW-P10	Healthcare Planning Package Where is healthcare demand or risk? Package · bundle · updates on source cadence
ADW-P11	Insurance Intelligence Package What is the underwriting risk? Package · bundle · updates on source cadence
ADW-P12	Government Planning Package Where should public investment go? Package · bundle · updates on source cadence
ADW-P13	Logistics Intelligence Package How strong is the movement network? Package · bundle · updates on source cadence
ADW-P14	AI Infrastructure Package Where is AI-ready infrastructure concentrated? Package · bundle · updates on source cadence
ADW-P15	Health & Safety MVP Package What is the current health and safety risk profile here? Package · bundle · updates on source cadence
ADW-P16	Move Mode Workflow Package Where should I move, compare, or shortlist? Package · bundle · updates on source cadence
ADW-P17	Deep Health Package What is driving health risk below the headline score? Package · bundle · updates on source cadence
ADW-P18	Weather Severity Index Package How abnormal, severe, or changing is the local weather risk? Package · bundle · updates on source cadence

- ADW - P19** **Earthquake & Seismic Package**
What is the local earthquake, fault, and shake-risk profile?
[Package](#) · [bundle](#) · [updates on source cadence](#)
- ADW - P21** **Environmental Burden Package**
What environmental exposures, regulated facilities, and toxic burdens shape this place?
[Package](#) · [bundle](#) · [updates on source cadence](#)
- ADW - P22** **Transportation & Mobility Package**
How strong is the local movement network for people, goods, and services?
[Package](#) · [bundle](#) · [updates on source cadence](#)
- ADW - P23** **Agriculture & Rural Resilience Package**
How resilient is rural land, agriculture, and food supply in this region?
[Package](#) · [bundle](#) · [updates on source cadence](#)
- ADW - P24** **Population & Business Baseline Package**
What is the denominator and economic baseline behind the place score?
[Package](#) · [bundle](#) · [updates on source cadence](#)

| Climate & Hazard 40 objects

- ADW - 030** **Climate Adaptation Capex**
Enable organizations to prioritize and allocate capital expenditure for climate resilience projects based on quantified physical risk exposure.
[Time-series](#) · [41 yr history](#) · [since 1985](#) · [updates daily](#)
- ADW - 076** **Climate-Disaster Cost Trend**
Are US climate-disaster costs trending above historical norms?
[Time-series](#) · [41 yr history](#) · [since 1985](#) · [updates monthly](#)
- ADW - 129** **Seismic-Risk Pulse**
How seismically active is the world now?
[Time-series](#) · [11 yr history](#) · [since 2016](#) · [updates daily](#)
- ADW - 130** **Space-Weather Geomagnetic Risk**
How elevated is geomagnetic activity?
[Time-series](#) · [10 yr history](#) · [since 2016](#) · [updates daily](#)
- ADW - 132** **US Water Stress (Major Basin)**
How stressed are major US river basins?
[Time-series](#) · [52 yr history](#) · [since 1975](#) · [updates weekly](#)
- ADW - 133** **US Air Quality (Major Metro)**
How bad is air quality in major US metros?
[Time-series](#) · [37 yr history](#) · [since 1990](#) · [updates daily](#)
- ADW - 212** **Seismic Event Intensity**
How elevated is global seismic energy release right now?
[Time-series](#) · [67 yr history](#) · [since 1960](#) · [updates hourly](#)
- ADW - 252** **US Severe-Weather Hazard Load**
How heavy is the current US severe-weather alert load?
[Time-series](#) · [10 yr history](#) · [since 2016](#) · [updates hourly](#)
- ADW - 253** **US Flood-Risk Signal (Gulf Coast)**
Is river-discharge building toward flood risk on the US Gulf Coast?
[Time-series](#) · [10 yr history](#) · [since 2016](#) · [updates daily](#)
- ADW - 356** **Global Volcanic Alert Level Index**
How elevated is US volcanic alert pressure right now?
[Time-series](#) · [10 yr history](#) · [since 2016](#) · [updates daily](#)
-

ADW - 391	Colorado River Basin Water-Stress Index High materiality scores predict higher cost of capital for water-intensive industries in stressed regions. Time-series · 17 yr history · since 2010 · updates weekly
ADW - 395	US Cooling-Demand Grid Stress Index High grid stress during heatwaves in UHI zones predicts localized transformer failures and disproportionate maintenance costs. Time-series · 132 yr history · since 1895 · updates daily
ADW - 400	EU-ETS Carbon Price Pressure (CBAM proxy) Higher compliance deficits in key sectors predict increased tariffs and supply chain cost inflation. Time-series · 37 yr history · since 1989 · updates daily
ADW - 408	Climate Loss Exposure Monitor What is the current climate loss pressure indicated by flood-insurance claim trends by state? Time-series · 13 yr history · since 2014 · updates daily
ADW - 412	Seismic Catastrophe Risk Pulse What is the current catastrophe-insurance risk based on recent seismic activity? Time-series · 12 yr history · since 2015 · updates daily
ADW - 416	Climate-Degree Groundwater Stress What is the current agricultural water stress based on temperature anomalies and groundwater levels? Time-series · 17 yr history · since 2009 · updates daily
ADW - 432	Water-Compliance-Risk Score Retrieve the water compliance risk score from the ICIS entry data windows. Time-series · 43 yr history · since 1983 · updates daily
ADW - 518	Regulated Facilities Index How concentrated are regulated facilities? County map · 3,222 counties · updates on source cadence
ADW - 519	Toxic Releases Index How high is local toxic-release burden? County map · 3,222 counties · updates on source cadence
ADW - 520	Weather Severity Index How severe is local weather risk? County map · 3,222 counties · updates on source cadence
ADW - 521	Seismic History Index What is the local earthquake history? County map · 3,222 counties · updates on source cadence
ADW - 525	Seismic Hazard Index How much long-term earthquake ground-shaking hazard does this county face (USGS ASCE7 design ground motion)? County map · 3,222 counties · updates on source cadence
ADW - 534	Streamflow Stress Index Which areas face critical water stress? County map · 3,222 counties · updates on source cadence
ADW - 549	Global Seismic Activity Index Is global earthquake activity accelerating or quieter than normal right now? Time-series · 51 yr history · since 1975 · updates hourly
ADW - 550	Space Weather Storm Index How intense is the current geomagnetic storm, and what's the grid/satellite/GPS risk? Time-series · 95 yr history · since 1932 · updates hourly

ADW - 557	US Weather Alert Index How severe is the active weather-warning load across the US right now? Live · real-time · updates hourly
ADW - 558	Coastal Water Level Anomaly Index Are US coastal water levels running above predicted tide right now — active storm-surge pressure? Time-series · 32 yr history · since 1995 · updates hourly
ADW - 559	Global Disaster Activity Index How much natural-disaster activity is happening worldwide right now, and which events are most severe? Live · real-time · updates hourly
ADW - 560	Natural Hazard Events Index How many natural-hazard events are active on Earth right now vs normal? Time-series · 2.0 yr history · since 2024 · updates daily
ADW - 561	US Drought Severity Index How much of the US is in drought right now, and how severe? Time-series · 27 yr history · since 2000 · updates weekly
ADW - 563	Solar Flare Activity Index How intense is current solar X-ray flare activity, and what radio-blackout risk does it pose? Time-series · 51 yr history · since 1975 · updates hourly
ADW - 570	US Extreme Heat Forecast Index How severe and widespread is dangerous heat forecast across major US metros over the next 7 days? Live · real-time · updates hourly
ADW - 579	Global River Flood Risk Forecast Which major world rivers are forecast to run above their flood-risk norms over the next 7 days? Live · real-time · updates daily
ADW - 581	ENSO Climate Regime Index Are we in El Nino, La Nina, or neutral right now, and how strong is the episode? Time-series · 76 yr history · since 1950 · updates monthly
ADW - 590	Global Marine Heat Index How much of the global ocean surface is running notably warm right now, and which regions are hottest vs seasonal normal? Live · real-time · updates daily
ADW - 592	Global Volcanic Activity Index How much volcanic unrest and eruptive activity is happening worldwide right now, and which volcanoes are escalating? Live · real-time · updates weekly
ADW - 594	Space Weather Event Index How eventful has space weather been recently - how many significant CMEs, M/X-class solar flares, and geomagnetic storms in the last 14 days? Time-series · 16 yr history · since 2010 · updates daily
ADW - 597	US Severe Storm Activity Index How much severe storm activity (tornadoes, hail, damaging wind) has the US actually experienced in the last week versus the recent norm? Live · real-time · updates daily
ADW - 604	US Clean-Air Enforcement Pressure Is federal Clean Air Act enforcement-case velocity rising versus its 3-year baseline? Time-series · 26 yr history · since 2001 · updates daily
ADW - 615	US Hazardous-Waste Enforcement Velocity Is federal RCRA hazardous-waste enforcement-case velocity rising versus its 3-year baseline? Time-series · 26 yr history · since 2001 · updates daily

Health 33 objects

ADW-021	Healthcare Staffing Shortage Enable healthcare administrators to proactively recruit and deploy nursing staff before critical staffing shortages impact patient care and operational costs. Time-series · 78 yr history · since 1948 · updates daily
ADW-027	Sunlight-Deficit Wellbeing Enables employers and insurers to proactively deploy mental health interventions and telehealth resources to employees in regions experiencing seasonal light deprivation. Time-series · 60 yr history · since 1966 · updates daily
ADW-040	Healthcare Cost Inflation Index Is healthcare inflation running meaningfully above or below general core inflation right now? Time-series · 66 yr history · since 1960 · updates monthly
ADW-120	Community Health Index How healthy is the US population? Time-series · 68 yr history · since 1958 · updates annually
ADW-121	Behavioral-Health Stress How strained is US behavioral health? Time-series · 75 yr history · since 1951 · updates annually
ADW-122	Drug-Safety Index Is drug-adverse-event reporting surging? Time-series · 30 yr history · since 1996 · updates weekly
ADW-123	Healthcare-Access Gap How big is the US healthcare-access gap? Time-series · 15 yr history · since 2011 · updates annually
ADW-124	Clinical-Trial Activity How active is the US clinical-trial pipeline? Time-series · 26 yr history · since 2000 · updates weekly
ADW-125	Infectious-Disease Burden How heavy is US notifiable-disease burden? Time-series · 5.7 yr history · since 2020 · updates weekly
ADW-302	GeoHealth Index How healthy or at-risk is this US ZIP code, and what's driving it? Time-series · 75 yr history · since 1951 · updates annually
ADW-312	Healthcare Cost Transparency Gap How intense is pharma/device industry financial engagement with US physicians, and growing? Time-series · 76 yr history · since 1950 · updates annually
ADW-357	Drug Labeling Volatility Index Is drug labeling activity accelerating or decelerating vs baseline? Time-series · 55 yr history · since 1972 · updates monthly
ADW-377	Clinical Trial Complexity Index Is the global clinical-trial landscape becoming more or less complex? Time-series · 16 yr history · since 2010 · updates monthly
ADW-386	Pharma Patent Exclusivity Velocity Tracks speed of generic entry post-patent cliff to predict hospital formulary cost reductions and revenue erosion. Time-series · 72 yr history · since 1954 · updates monthly
ADW-414	Essentials Wage vs Device-Safety Cross-Signal What is the current cross-signal between essentials wage growth and medical-device adverse events? Time-series · 19 yr history · since 2007 · updates daily

ADW - 419	Superfund Contamination Load What is the current Superfund/NPL site status-change activity level and active-site count by EPA region? Time-series · 49 yr history · since 1977 · updates daily
ADW - 422	Pharmacogenomic Adoption Index What is the current momentum of pharmacogenomic (PGx) guideline-system expansion, as a leading proxy for precision-medicine clinical adoption? Time-series · 13 yr history · since 2013 · updates daily
ADW - 426	Clinical-Trial Attrition Risk Retrieve the latest clinical trial attrition risk data from the CTIS decision date stream. Time-series · 3.1 yr history · since 2023 · updates daily
ADW - 434	Global Air-Quality Health Load Retrieve the global air-quality health load data based on recent PM2.5 levels. Time-series · 3.7 yr history · since 2022 · updates daily
ADW - 522	Hospital Access Index How strong is local hospital access? County map · 3,222 counties · updates on source cadence
ADW - 551	US Drug Shortage Index How much pharmaceutical supply-disruption pressure is the US under, and which categories are hit hardest? Live · real-time · updates daily
ADW - 552	Drug Recall Activity Index How intense is US drug recall enforcement, and what failure modes are driving it? Time-series · 14 yr history · since 2013 · updates daily
ADW - 554	Food Recall Activity Index How much US food-safety recall pressure is there now, and is it rising vs last quarter? Time-series · 14 yr history · since 2013 · updates daily
ADW - 556	US Air Quality Index How bad is air quality across major US metros right now, and which metro/pollutant is worst? Time-series · 3.9 yr history · since 2022 · updates hourly
ADW - 565	Consumer Product Recall Index How elevated is US consumer-product recall activity right now, and which hazard types drive it? Time-series · 24 yr history · since 2002 · updates daily
ADW - 566	Medical Device Safety Index How elevated is US medical-device recall/enforcement pressure right now? Time-series · 14 yr history · since 2013 · updates daily
ADW - 572	US Respiratory Illness Activity Index How high is US respiratory-illness (flu/COVID/RSV) activity right now, and is it rising or falling? Time-series · 3.8 yr history · since 2022 · updates weekly
ADW - 589	US Drug Overdose Mortality Index How heavy is the current US drug-overdose mortality burden and is it rising or falling? Time-series · 10 yr history · since 2016 · updates monthly
ADW - 596	US Chronic Disease Burden Index How heavy is the US chronic-disease mortality burden (heart disease, diabetes, stroke) right now, and is it rising or falling? Live · real-time · updates quarterly
ADW - 602	Biotech Preprint Velocity Is the flow of new biology preprints accelerating versus the trailing 2-year baseline? Time-series · 13 yr history · since 2013 · updates daily

ADW-603	US Food & Supplement Adverse-Event Pulse Are FDA food, dietary-supplement, and cosmetic adverse-event reports surging versus baseline? Time-series · 23 yr history · since 2004 · updates daily
ADW-616	Advanced-Therapeutics Research Pulse Is published research on advanced therapeutic modalities (gene therapy, CAR-T, mRNA, GLP-1) accelerating? Time-series · 32 yr history · since 1995 · updates daily
ADW-619	US Pharmaceutical Import Concentration How concentrated are US medicament imports across supplier countries versus the trailing decade? Time-series · 17 yr history · since 2010 · updates weekly

Financial 26 objects

ADW-002	US Macro Economic Health Score How healthy is the US macro economy right now? Time-series · 66 yr history · since 1960 · updates monthly
ADW-004	US Bank Stability & Branch Coverage Index What is the stability & coverage of US banking? Time-series · 50 yr history · since 1976 · updates quarterly
ADW-015	Consumer-Credit Stress Index How stressed is US consumer credit right now — rising delinquencies or credit binging? Time-series · 34 yr history · since 1992 · updates monthly
ADW-046	Corporate Credit-Spread Stress Index Are corporate credit spreads signaling elevated default risk right now? Time-series · 73 yr history · since 1953 · updates monthly
ADW-047	Money-Supply Momentum Index Is M2 money supply growth above or below its historical trend, and how does velocity amplify or dampen that signal? Time-series · 64 yr history · since 1962 · updates monthly
ADW-053	Inflation-Expectations Gap Index Are market inflation expectations running above or below realized core CPI? Time-series · 20 yr history · since 2006 · updates monthly
ADW-054	Yield-Curve Inversion Signal How deep is the current yield-curve inversion and is it deepening? Time-series · 46 yr history · since 1980 · updates monthly
ADW-055	Dollar-Strength Index Is the US dollar strengthening or weakening vs its historical range? Time-series · 17 yr history · since 2009 · updates monthly
ADW-202	SMB Credit-Default Proxy Enable lenders and suppliers to assess credit default risk for small and medium-sized businesses that lack public financial disclosures or credit bureau histories. Time-series · 76 yr history · since 1950 · updates daily
ADW-206	FDIC Deposit-Runoff Velocity Is the US banking sector showing early-stage deposit liquidity stress? Time-series · 50 yr history · since 1976 · updates monthly
ADW-207	Treasury Auction Tail Stress Index Is the US Treasury market struggling to absorb new debt issuance? Time-series · 25 yr history · since 2001 · updates weekly
ADW-208	EDGAR Risk-to-MD&A Sentiment Divergence Does a company's Risk-Factors vs MD&A sentiment gap predict earnings disappointment? Time-series · 9.9 yr history · since 2016 · updates weekly

ADW - 210	OFR Financial-Stress Persistence Score Is current market stress a transient spike or a persistent regime shift? Time-series · 32 yr history · since 1994 · updates weekly
ADW - 233	FDIC Bank NIM Compression Index Are bank net interest margins compressing across the sector? Time-series · 44 yr history · since 1982 · updates monthly
ADW - 234	GLEIF Counterparty Ownership Complexity How complex/opaque is a counterparty's legal ownership structure? Live · real-time · updates weekly
ADW - 347	Global Liquidity Stress Index What is the current global liquidity stress level — tightening or easing? Time-series · 10 yr history · since 2016 · updates weekly
ADW - 349	EU Fiscal Sustainability Gap Score Are Euro-Area governments on a sustainable fiscal path? Time-series · 31 yr history · since 1995 · updates quarterly
ADW - 392	US Federal Monthly Budget Deficit Stress The gap between actual digital tax revenue and potential liability indicates erosion of the domestic tax base. Time-series · 46 yr history · since 1980 · updates monthly
ADW - 397	US Student-Loan Servicer Complaint Velocity Rising severity scores in servicer complaints precede spikes in delinquency rates and refinancing failure rates. Time-series · 14 yr history · since 2012 · updates daily
ADW - 402	US Consumer Loan Delinquency Stress Acceleration predicts residential eviction filings with a 2-month lag. Time-series · 39 yr history · since 1988 · updates quarterly
ADW - 405	US Student-Loan Refinance Exhaustion Index-momentum correlates with NFP decline and default velocity. Time-series · 20 yr history · since 2007 · updates quarterly
ADW - 409	Regulatory-Financial Impact Score What is the current regulatory burden based on recent financial-sector rulemakings? Time-series · 31 yr history · since 1995 · updates daily
ADW - 553	US Bank Health Index How healthy is the US banking sector right now? Time-series · 34 yr history · since 1992 · updates quarterly
ADW - 573	US Treasury Fiscal Pulse How fast is US federal debt growing right now, and is the interest burden rising? Time-series · 32 yr history · since 1994 · updates quarterly
ADW - 601	US Mortgage Complaint Stress Is US mortgage-borrower complaint volume accelerating versus its 2-year baseline? Time-series · 15 yr history · since 2011 · updates daily
ADW - 605	US Small-Business Credit Tightening Index Are US banks tightening C&I lending standards for small firms versus the trailing norm? Time-series · 36 yr history · since 1990 · updates weekly

Tech & Innovation 26 objects

ADW - 008	AI/Software Ecosystem Health Driver Organic growth or hype in AI/software? Time-series · 33 yr history · since 1993 · updates daily
------------------	--

ADW - 031	Digital Infrastructure Load Enables IT leaders to forecast infrastructure capacity needs and prevent service outages during peak demand periods. Time-series · 22 yr history · since 2004 · updates monthly
ADW - 073	GitHub-Language Momentum How strong is developer momentum in TypeScript, Python, Rust, and Go? Time-series · 10 yr history · since 2016 · updates hourly
ADW - 128	Research-Output Momentum Is US research output accelerating? Time-series · 43 yr history · since 1983 · updates annually
ADW - 339	Software Supply-Chain Vulnerability Index Is the OSS software supply chain under elevated vulnerability pressure, and where? Time-series · 51 yr history · since 1975 · updates weekly
ADW - 388	US Semiconductor Fab Utilization Tightness High dependency on single-region fabrication correlates with extended order-fulfillment delays during regulatory shocks. Time-series · 50 yr history · since 1976 · updates monthly
ADW - 393	AI Energy Intensity Rising energy-per-token correlates with diminishing returns in LLM performance, signaling marginal cost inflection. Time-series · 41 yr history · since 1985 · updates monthly
ADW - 413	Open-Source Dependency Risk Index What is the current volatility in open-source dependencies based on release and yank trends? Time-series · 12 yr history · since 2015 · updates daily
ADW - 418	Open-Source Vulnerability Density Is newly-disclosed vulnerability activity across widely-used npm and PyPI packages accelerating above its own baseline right now? Time-series · 19 yr history · since 2008 · updates daily
ADW - 424	Federal Web-Traffic Economy Is demand for US federal .gov digital services rising or falling right now versus its own trailing baseline? Time-series · 1.7 yr history · since 2024 · updates daily
ADW - 435	AI-Inference Cost Efficiency Fetch the AI inference cost efficiency metrics for text-output models. Time-series · 1.5 yr history · since 2024 · updates daily
ADW - 436	Software Dependency Risk Retrieve the software dependency risk scores for specific packages. Time-series · 13 yr history · since 2013 · updates daily
ADW - 504	Broadband Access Index How good is local broadband access? County map · 3,222 counties · updates on source cadence
ADW - 515	Data Center Density Index Where is data-center capacity concentrated? County map · 3,222 counties · updates on source cadence
ADW - 530	AI/Data Ecosystem Positioning Index Where does each AI/data vendor sit on vision vs execution? Live · real-time · updates weekly
ADW - 575	AI Research Momentum Index How fast is AI/ML research output moving right now — is the pace of new arXiv submissions accelerating? Time-series · 33 yr history · since 1994 · updates daily

ADW-576	Open-Source Momentum Index How much momentum is flowing into new open-source projects right now? Live · real-time · updates daily
ADW-577	Tech Community Pulse What is the tech community engaged with right now, and how intense is that engagement? Time-series · 19 yr history · since 2007 · updates hourly
ADW-584	US Patent Activity Index Is the pace of US patent grants accelerating or slowing right now? Live · real-time · updates weekly
ADW-588	Python Ecosystem Activity Index How active is the Python package ecosystem right now vs its typical pace? Live · real-time · updates hourly
ADW-591	Cyber Threat Activity Index How fast are new actively-exploited software vulnerabilities appearing right now, and which vendors are driving the surge? Time-series · 4.4 yr history · since 2022 · updates daily
ADW-593	JavaScript Ecosystem Activity Index Is the JavaScript/npm package ecosystem growing or cooling right now, and which bellwether packages are driving the move? Time-series · 11 yr history · since 2015 · updates daily
ADW-598	Global Knowledge Production Index How fast is the world producing and maintaining encyclopedic knowledge right now? Live · real-time · updates daily
ADW-611	US Semiconductor Import Concentration How concentrated are US semiconductor imports across supplier countries versus the trailing decade? Time-series · 17 yr history · since 2010 · updates weekly
ADW-617	Software CVE Publication Surge Index Is the flow of newly published CVEs surging versus the trailing year? Time-series · 28 yr history · since 1999 · updates daily
ADW-618	Emerging-Tech Research Momentum Is peer-indexed research on frontier hardware technologies (quantum, solid-state batteries, neuromorphic) accelerating? Time-series · 37 yr history · since 1990 · updates daily

Logistics & Mobility 26 objects

ADW-009	Supply Chain & Logistics Continuity Score How stressed are global supply chains? Time-series · 51 yr history · since 1975 · updates weekly
ADW-019	Supply-Chain Disruption Cost Quantify the financial impact of supply-chain disruptions to determine whether immediate inventory hedging or strategic waiting yields the lower total cost. Time-series · 110 yr history · since 1916 · updates daily
ADW-020	Supply-Chain Early Warning Enable logistics managers to proactively diversify suppliers by identifying geopolitical or operational disruptions before they impact inventory levels. Time-series · 28 yr history · since 1998 · updates daily
ADW-033	Supply Chain Diversification Enable logistics buyers to quantify and mitigate concentration risk by identifying over-reliance on specific suppliers, regions, or transport modes. Time-series · 30 yr history · since 1996 · updates daily

ADW - 034	Tourism-Demand Pulse What is the current level and momentum of US tourism demand? Time-series · 7.4 yr history · since 2019 · updates weekly
ADW - 038	Freight & Logistics Cost Index How much pressure are freight and diesel costs placing on supply chains and margins right now? Time-series · 19 yr history · since 2007 · updates monthly
ADW - 067	Air-Travel Recovery Index How recovered is US air travel vs its prior-year baseline? Time-series · 7.4 yr history · since 2019 · updates weekly
ADW - 116	Live Air-Traffic Density How dense is live US air traffic? Time-series · 23 yr history · since 2003 · updates weekly
ADW - 117	Travel-Demand Index How open/safe is global travel demand? Time-series · 53 yr history · since 1973 · updates weekly
ADW - 201	Port-Congestion Lead Time Enable shippers to determine if current inventory buffers are sufficient to absorb port delays, preventing stockouts or excess holding costs. Time-series · 104 yr history · since 1922 · updates daily
ADW - 215	US Aviation Disruption Index How disrupted is the US airspace system right now (ground stops/delays)? Time-series · 10 yr history · since 2016 · updates hourly
ADW - 335	US Freight Regulatory Risk Index Is US freight activity elevated vs baseline (carrier utilization / regulatory demand)? Time-series · 26 yr history · since 2000 · updates monthly
ADW - 384	US Marine & Port Freight Cost Pressure Index Variance in dwell times predicts downstream inventory holding cost spikes more accurately than average dwell time. Time-series · 18 yr history · since 2008 · updates weekly
ADW - 394	Supply-Chain Modal Shift Measures cargo shift from rail to truck due to rail strikes, predicting local inflation spikes. Time-series · 26 yr history · since 2001 · updates monthly
ADW - 507	Transport Corridor Index How connected is the county by transport? County map · 3,222 counties · updates on source cadence
ADW - 508	Airport Access Index How close is commercial air service? County map · 3,222 counties · updates on source cadence
ADW - 524	EV Charging Index How built-out is EV charging locally? County map · 3,222 counties · updates on source cadence
ADW - 528	Local Attractions Index How rich are local attractions? County map · 3,222 counties · updates on source cadence
ADW - 529	Heritage Sites Index How rich is local historic heritage? County map · 3,222 counties · updates on source cadence

ADW - 537	TSA Throughput Momentum Index Is US air-travel demand running hotter or cooler than normal right now? Time-series · 7.4 yr history · since 2019 · updates daily
ADW - 541	Pilot Pipeline Health Index Is the US pilot-supply funnel expanding or contracting right now? Time-series · 34 yr history · since 1992 · updates annually
ADW - 542	GA Safety Trend Index Is US general aviation getting safer or more dangerous vs its recent trend? Time-series · 5.5 yr history · since 2020 · updates annually
ADW - 543	Used-Aircraft Market Liquidity Index How liquid is the US used general-aviation aircraft market, and which makes turn over fastest? Live · real-time · updates monthly
ADW - 544	Air-Travel Recovery Index Have US enplanements recovered to pre-pandemic levels, and what's the trajectory? Time-series · 26 yr history · since 2000 · updates annually
ADW - 545	Fleet Aging Index How old is the US GA fleet, and how big is the retrofit/replacement opportunity? Live · real-time · updates annually
ADW - 546	Airspace Concentration Index How concentrated is live tracked air traffic across countries right now? Live · real-time · updates hourly

| Energy & Commodities 21 objects

ADW - 006	Energy Grid Carbon Intensity Summary Current carbon intensity & renewable share? Time-series · 53 yr history · since 1973 · updates hourly
ADW - 023	Energy-Cost Volatility Enables corporate buyers to quantify price risk and justify locking in long-term energy contracts to stabilize operational budgets. Time-series · 37 yr history · since 1989 · updates monthly
ADW - 041	Energy-Transition Demand How fast is renewable share growing? Time-series · 51 yr history · since 1975 · updates weekly
ADW - 062	Energy-Inventory Tightness How tight are US petroleum stocks? Time-series · 76 yr history · since 1950 · updates weekly
ADW - 075	Renewable-Capacity Growth How fast is renewable capacity growing? Time-series · 51 yr history · since 1975 · updates weekly
ADW - 112	Metals-Complex Stress Is the metals complex calm or stressed? Time-series · 20 yr history · since 2006 · updates weekly
ADW - 213	Agricultural Input/Climate Stress (Corn Belt) Is the US Corn Belt under precipitation/soil-moisture stress? Time-series · 45 yr history · since 1981 · updates weekly
ADW - 217	Renewable Resource Availability How favorable are wind+solar resource conditions in the ERCOT region? Time-series · 48 yr history · since 1979 · updates hourly

ADW - 251	US Power-Grid Outage Stress How stressed is the US power grid right now (customers out)? Time-series · 12 yr history · since 2014 · updates hourly
ADW - 313	Energy Regulatory Exposure Index How elevated are US commercial energy prices vs historical norms? Time-series · 31 yr history · since 1995 · updates weekly
ADW - 355	Raw Material Production Stress Indicator Is US raw-material production stressed (output decline or input-price surge)? Time-series · 110 yr history · since 1916 · updates monthly
ADW - 382	Food Security Price Shock Index Is there an acute food-price shock now, and how severe across global + US markets? Time-series · 80 yr history · since 1947 · updates monthly
ADW - 385	US Power-Grid Capacity Utilization Stress Correlates AI training bursts with regional blackouts and energy arbitrage opportunities. Time-series · 50 yr history · since 1976 · updates monthly
ADW - 387	US Residential Electricity Cost Barrier Longer permitting cycles significantly reduce residential EV adoption rates in high-density areas. Time-series · 48 yr history · since 1978 · updates monthly
ADW - 415	Heating-Demand Grid Stress What is the current grid heating stress based on temperature and electricity demand? Time-series · 21 yr history · since 2006 · updates daily
ADW - 439	Carbon Credit Liquidity Index Fetch the carbon credit liquidity index based on recent daily trading data. Time-series · 4.3 yr history · since 2022 · updates daily
ADW - 514	Power Grid Index How robust is the local power grid? County map · 3,222 counties · updates on source cadence
ADW - 600	UK Power Price Volatility Pulse How stressed are UK real-time retail electricity prices versus the trailing month? Time-series · 1.8 yr history · since 2024 · updates daily
ADW - 607	US Gasoline Crack-Spread Pressure Is the US gasoline-over-crude refining spread widening versus its trailing norm? Time-series · 40 yr history · since 1986 · updates daily
ADW - 610	US Battery-Supply Import Concentration How concentrated are US battery imports across supplier countries versus the trailing decade? Time-series · 17 yr history · since 2010 · updates weekly
ADW - 612	US Industrial Electricity-Cost Squeeze Are industrial power costs rising faster than manufacturing output, squeezing energy-intensive producers? Time-series · 54 yr history · since 1973 · updates weekly

Public Sector

21 objects

ADW - 032	Regulatory Compliance Risk Enables organizations to proactively identify and mitigate regulatory exposure across multiple jurisdictions to avoid fines and operational disruptions. Time-series · 29 yr history · since 1997 · updates daily
ADW - 126	Federal-Spending Momentum Is federal spending accelerating? Time-series · 77 yr history · since 1949 · updates weekly

ADW - 127	Regulatory-Activity Index How active is federal rulemaking? Time-series · 31 yr history · since 1995 · updates weekly
ADW - 209	US Federal Contract-Award Momentum Is federal prime-contract award activity accelerating or slowing? Time-series · 77 yr history · since 1949 · updates weekly
ADW - 219	FDA Drug-Recall Velocity Is FDA Class-I drug-recall enforcement accelerating? Time-series · 14 yr history · since 2012 · updates weekly
ADW - 232	eCFR Regulatory-Change Impact How intense is recent US federal regulatory-change activity? Time-series · 31 yr history · since 1995 · updates weekly
ADW - 310	Policy Volatility Index Is US federal rulemaking accelerating or decelerating right now? Time-series · 38 yr history · since 1988 · updates daily
ADW - 430	Foreign-Entity Lobbying Index Retrieve the foreign-entity lobbying index derived from recent FARA registration data. Time-series · 81 yr history · since 1945 · updates daily
ADW - 502	School Quality Index How strong are the local schools? County map · 3,222 counties · updates on source cadence
ADW - 506	Food Access Index How accessible is healthy food locally? County map · 3,222 counties · updates on source cadence
ADW - 511	Library Access Index How strong is public library access? County map · 3,222 counties · updates on source cadence
ADW - 512	Crime & Safety Index How safe is this county? County map · 3,222 counties · updates on source cadence
ADW - 513	Childcare Access Index How available is childcare locally? County map · 3,222 counties · updates on source cadence
ADW - 523	Park Access Index How good is local park access? County map · 3,222 counties · updates on source cadence
ADW - 532	Federal Contract & Grant Dependency Which counties rely most on federal grants? County map · 3,222 counties · updates on source cadence
ADW - 533	DoD Contract Obligation Where is DoD prime spending concentrated? County map · 3,222 counties · updates on source cadence
ADW - 583	Federal Regulatory Activity Index Is US federal rulemaking accelerating or slowing right now, and how much of it is significant regulation? Time-series · 32 yr history · since 1994 · updates daily
ADW - 595	Federal Campaign Finance Activity How fast is US federal political money moving right now compared to the prior election cycle? Live · real-time · updates weekly

- ADW - 599** **Federal Litigation Activity Index**
Is US federal court litigation activity surging or quiet right now versus its recent norm?
Live · real-time · updates weekly
- ADW - 613** **EU Legislative Output Velocity**
Is the EU's flow of adopted secondary legislation accelerating versus its 2-year baseline?
Time-series · 37 yr history · since 1990 · updates daily
- ADW - 614** **US Significant-Rulemaking Velocity**
Is the flow of economically significant US federal rules and proposals accelerating?
Time-series · 33 yr history · since 1994 · updates daily

| Consumer & Retail 19 objects

- ADW - 005** **Global Real Estate Affordability Score**
How affordable is real estate vs income?
Time-series · 63 yr history · since 1963 · updates monthly
- ADW - 016** **Promo-Elasticity Gap**
Identify underperforming promotional investments to reallocate trade spend toward high-elasticity categories for maximum revenue lift.
Time-series · 64 yr history · since 1962 · updates daily
- ADW - 017** **Shopper-Impact / Discretionary Squeeze**
Enables retailers and brands to time promotions and optimize assortment by quantifying the financial pressure on consumers' discretionary spending.
Time-series · 16 yr history · since 2010 · updates monthly
- ADW - 018** **Demographic Affinity / Site-Selection**
Identify high-potential zip codes for new retail locations by matching store concepts to local population characteristics.
Time-series · 39 yr history · since 1987 · updates daily
- ADW - 024** **Aspiration Premium Index**
Enables brands to distinguish whether their pricing power stems from emotional aspiration or functional utility to identify and mitigate pricing fragility.
Time-series · 66 yr history · since 1960 · updates monthly
- ADW - 026** **Gas Perception-Gap**
Quantifies divergence between actual gasoline price moves and consumer sentiment to flag political risk and demand-destruction scenarios.
Time-series · 44 yr history · since 1982 · updates monthly
- ADW - 042** **Auto-Market Affordability Index**
How affordable is purchasing a new vehicle today relative to recent history?
Time-series · 43 yr history · since 1983 · updates monthly
- ADW - 044** **Food-Price Pressure Index**
How much upward price pressure is the food supply chain exerting on consumers right now?
Time-series · 76 yr history · since 1950 · updates monthly
- ADW - 056** **Consumer Savings-Rate Stress Index**
Are US consumers running down savings at an alarming rate?
Time-series · 64 yr history · since 1962 · updates monthly
- ADW - 204** **Shelf-Share Velocity**
Enable retailers and CPG brands to benchmark their product distribution efficiency against market leaders to identify untapped shelf-space opportunities.
Time-series · 31 yr history · since 1995 · updates daily
- ADW - 220** **Food-Recall Safety Signal**
Is Class-I food-recall enforcement accelerating?
Time-series · 14 yr history · since 2012 · updates weekly

ADW - 256	US Retail-Sales Momentum Is US consumer retail spending accelerating? Time-series · 31 yr history · since 1995 · updates monthly
ADW - 258	US Consumer-Sentiment Level Is US consumer sentiment improving or deteriorating? Time-series · 60 yr history · since 1966 · updates monthly
ADW - 263	US Consumption Momentum Is US personal consumption accelerating? Time-series · 64 yr history · since 1962 · updates monthly
ADW - 264	US Vehicle-Sales Momentum Is US auto demand accelerating or slowing? Time-series · 47 yr history · since 1979 · updates monthly
ADW - 411	Textile-Input Cost Pressure What is the current cost pressure on the textile and apparel sector based on input prices? Time-series · 50 yr history · since 1976 · updates daily
ADW - 505	Population Vitality Index Is the local population growing and vital? County map · 3,222 counties · updates on source cadence
ADW - 509	Consumer Spending Index How strong is local consumer spending power? County map · 3,222 counties · updates on source cadence
ADW - 510	Business Density Index How dense is local business activity? County map · 3,222 counties · updates on source cadence

Labor & Macro 15 objects

ADW - 029	Labor-Adjacent Capacity Enables enterprises to make data-driven decisions on whether to expand headcount or engage external contractors for upcoming quarterly demand. Time-series · 33 yr history · since 1993 · updates daily
ADW - 037	Wage-Price Spiral Risk How elevated is the feedback loop between wage growth and consumer price inflation right now? Time-series · 16 yr history · since 2010 · updates monthly
ADW - 045	Labor-Market Tightness Index How tight is the US labor market — are there meaningfully more job openings than unemployed workers? Time-series · 25 yr history · since 2001 · updates monthly
ADW - 049	Productivity Trend Index Is nonfarm business productivity outpacing unit labor cost growth — or is the cost squeeze tightening? Time-series · 77 yr history · since 1949 · updates quarterly
ADW - 254	US Labor-Market Stress Is the US labor market weakening (unemployment level + recent trend)? Time-series · 51 yr history · since 1975 · updates monthly
ADW - 259	US Jobless-Claims Stress Are US initial jobless claims signaling labor stress? Time-series · 10 yr history · since 2016 · updates monthly
ADW - 260	US Nonfarm-Payrolls Momentum Is US job creation accelerating or slowing? Time-series · 84 yr history · since 1942 · updates monthly

ADW - 311	Labor Market Tightness Score How tight is the US labor market right now, and tightening or loosening? Time-series · 22 yr history · since 2005 · updates monthly
ADW - 348	Labor Market Cooling Signal Is the US labor market actively deteriorating (claims/unemployment up, quits/hires down)? Time-series · 58 yr history · since 1968 · updates monthly
ADW - 383	Sovereign Debt Refinancing Cliff Low bidder participation is a leading indicator of liquidity stress and yield spikes before official rating downgrades. Time-series · 41 yr history · since 1985 · updates daily
ADW - 503	Employment Health Index How healthy is the local job market? County map · 3,222 counties · updates on source cadence
ADW - 536	Grocery Staples Cost Index How squeezed is the US household grocery budget right now, and which staple is driving it? Time-series · 10 yr history · since 2016 · updates monthly
ADW - 539	City Livability Context Index How do major US metros compare on livability fundamentals right now, and which ranks highest or lowest? Live · real-time · updates daily
ADW - 547	Global Supply Pressure (GSCPI) Tracker How stressed are global supply chains, and how does today's GSCPI rank vs three decades of history? Time-series · 9.9 yr history · since 2016 · updates monthly
ADW - 574	US Labor Market Momentum How strong is the US labor market right now, and is it strengthening or weakening? Time-series · 78 yr history · since 1948 · updates monthly

| Real Estate 8 objects

ADW - 050	Mortgage-Market Health Index How stressed is the residential mortgage market — combining rate levels with delinquency trends? Time-series · 31 yr history · since 1995 · updates monthly
ADW - 052	Commercial Real-Estate Stress Index How elevated is stress in the commercial real estate lending market relative to historical norms? Time-series · 34 yr history · since 1992 · updates quarterly
ADW - 255	US Housing-Starts Momentum Is US housing construction accelerating or stalling? Time-series · 64 yr history · since 1962 · updates monthly
ADW - 261	US Building-Permits Momentum Are US building permits (leading housing) accelerating? Time-series · 62 yr history · since 1964 · updates monthly
ADW - 401	US Commercial Insurance Renewal Spike Renewal premiums exceeding 15% YoY correlate with increased vacancy rates in Class B/C office assets. Time-series · 27 yr history · since 1999 · updates monthly
ADW - 500	Housing Affordability Index How affordable is housing in this county? County map · 3,222 counties · updates on source cadence
ADW - 501	Property Tax Burden Index How heavy is the local property-tax load? County map · 3,222 counties · updates on source cadence

ADW-527

US Metro Housing Heat Index

Which US metros are seller's vs buyer's markets right now (0-100 housing heat)?

Time-series · 25 yr history · since 2001 · updates weekly

International & Trade 7 objects

ADW-223

Global Trade-Openness Signal

Is global trade openness (trade as % of GDP) expanding or contracting?

Time-series · 68 yr history · since 1958 · updates monthly

ADW-238

GDELT Conflict-to-Trade Disruption Signal

Is global trade-disruption news (tariffs/sanctions/export bans) escalating?

Time-series · 7.4 yr history · since 2019 · updates hourly

ADW-354

Supply Chain Geopolitical Risk Index

What geopolitical risk is embedded in US supply chains; is China dependence improving?

Time-series · 25 yr history · since 2002 · updates monthly

ADW-417

Global Food-Insecurity Pulse

Is global population-weighted food-insecurity prevalence rising or falling versus its recent trailing baseline right now?

Time-series · 2.5 yr history · since 2024 · updates daily

ADW-538

Global Travel Risk Index

How risky is international travel right now, and which countries carry which risk factors?

Live · real-time · updates daily

ADW-562

Global News Tone Index

How negative or stressed is the emotional tone of world news right now?

Live · real-time · updates daily

ADW-569

Humanitarian Crisis Index

How many humanitarian emergencies are active worldwide right now, and how heavy is the global crisis load?

Time-series · 36 yr history · since 1990 · updates daily

Industry & Ag 6 objects

ADW-257

US Industrial-Production Momentum

Is US industrial output accelerating?

Time-series · 104 yr history · since 1922 · updates monthly

ADW-262

US Durable-Goods Orders Momentum

Is US business capex (durable-goods orders) accelerating?

Time-series · 31 yr history · since 1996 · updates monthly

ADW-314

Infrastructure Investment Velocity

Is US infrastructure investment accelerating or contracting relative to trend?

Time-series · 30 yr history · since 1996 · updates monthly

ADW-516

Agriculture Production Index

How significant is local agricultural output?

County map · 3,222 counties · updates on source cadence

ADW-517

Soil & Land Quality Index

What is the local soil/land quality?

County map · 3,222 counties · updates on source cadence

ADW-526

Agroclimate Stress Index

How moisture-stressed is this county's agricultural ground right now (NASA POWER root-zone soil wetness)?

County map · 3,222 counties · updates on source cadence
